There isn't really large communal space like you're describing, apart from the lobby which probably wouldn't be ideal since it's an active hotel. Can we go ahead and lock in that time and just check in the week before about space options?

Thanks!

Room 322 is empty and there is one table in there we don't have tables and chairs but we could possibly talk with Mr Patel? The date is fine with me just let me know whatever time works best.

Hi Emily,

Â

We can support an event on Monday, August 30th before 2pm if that works for you.

Â

Would an indoor space available Â with at least 3 to 4 tables and 20 to 30 chairs available for us to use?

If not we can look at bringing our own tables and chairs.

Thanks,

Hi all, thanks for your responses about coordinating a vaccine event at the Ramada for the folks who are staying there (currently 85).Â Hoping to follow up with anyone who's willing to see if we can nail down a date for vaccines there as soon as possible.Â Â

Thanks!
