Subject: Vaccine event

Good morning,

We've confirmed with Buncombe County that they'll be able to come out sometime 8/30 before 2 p.m. to provide vaccines onsite. Is there a space they can use for that? I don't know which vaccine it is yet but I just asked - if it's J&J we'll only need this date, and if it's one of the others then we'll schedule a second time for the follow-up shot.

They'll probably ask for a rough estimate of how many people we'll have - can you do a signup sheet next week maybe, Ashley? And definitely your staff (Ramada and Sunrise) are welcome to participate if you have anyone who's not vaccinated.

Thanks!
