---

Good morning, Kat and I were talking and we were wondering if we could get a little more heads up on what slots will be available for CAM each week? Since deciding on the 3 days to transfer the file that just leaves us with a very small window for collecting information. I know you usually send out the email about slot on the Tuesday before could we maybe find out on the friday before? Our thinking is that if we know we can go ahead and gather the info on the folks we are slating and not have so much leg work to do in 3 days on possibly 2/ or 3 people. Kat is the only housing case manager we have lol

Thank you
