All,

For the generic b-roll shots of Emily and Ashley acting as residents going about everyday activities in a room, some thoughts for actions with props needed are:

Making coffee:

coffee maker, mug

Arranging flowers:

vase, flowers

Making bed:

bed with pillows, blankets, bedspread

Watching TV:

TV, remote (over the shoulder, closeup on clicking remote w/ TV blurry in background)

Hanging / arranging clothes in closet:

Clothes, hangers

Preparing food / drink:

Any food, plate, bowl, silverware, soft drink, glass, etc.

These are just thoughts. I'm open to any suggestions, particularly for ideas where we would already have the necessary props on location.

Thanks!

Dan
