Good questions. I love this kind of thing. :) We don't have funds for that at the City, but I worked with Sue on an application for a grant that would cover those kinds of things and I'm hopeful!

Hi all,  
We had talked in the past either with you or Emily about possibly getting funding for [REDACTED] cosmetology license renewal. I am waiting for her to get back to me at the cost.  
I have [REDACTED] that is in need of getting his certificate for his tattoo license. It costs \$200 which we can verify. Once he has that he can work making good money. He is very talented. What would the process look like for that??

Thanks,  
Kat
