[REDACTED] room 2 left the shelter. Non compliance with guidelines. We're trying to get his room clean. I've been trying since Friday.

[REDACTED] went to New York to live with her mother and children. Her room is now occupied by someone from the referral process :)

[REDACTED] was rooming with 335 but he stated he was leaving and not coming back he took all his belongings. I think that's all for now and I know we will speak today.

Thank you
