Oh wow! I am so sorry. I was out without my work phone today so just saw your text - I'll call you tomorrow.

8/3/21, 8:35 AM

Good morning, I'll have to call you back in a bit.

8/3/21, 10:08 AM

I still think you and I should take our business cards to the shops in river ridge. 😊

Also can we set up a vaccination clinic at the ramada? I can pass out flyers and let everyone know

8/3/21, 2:13 PM

Bad service, I'll try later

I lost ya we can chat tomorrow 😊

8/4/21, 9:05 AM

Change of plans: no media today actually

Lol ok.

8/4/21, 11:02 AM

Could we ask Capt Lamb about [REDACTED]?

Yep that's a good idea - I'll try to catch him. Also Nikki's rescheduling that 12 pm meeting, just a heads up

Well that's just fine thank you!!

I just sent you an email

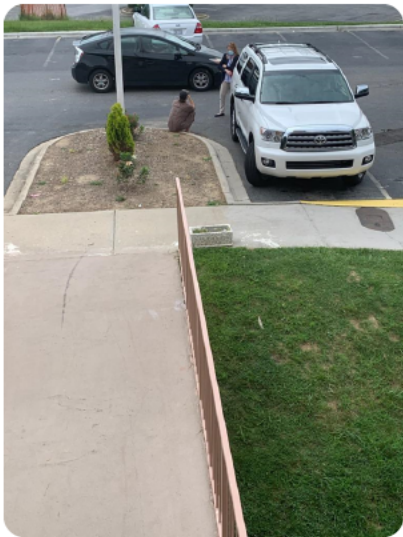

I count 60 rooms including the sweets and 301

Liked "I count 60 rooms including the sweets and 301"

Hey there's some weird lawyer lady at the Ramada and every time someone walks out she stops them and she asked them if they're a paying guest or if they're homeless and then if they say paying guest she asked them if they know that we have a homeless shelter there and asking them if it's affecting their stay.

One lady who is a paying guest told her no it was not affecting her stay it was like any other hotel she stayed at. She's in a fancy suit and a big black Yukon

This is her and she is questioning him lol

Is Mr. P aware? I think he needs to ask her to leave but I'm not sure that there's anything else we can do

8/5/21, 7:43 AM

Good morning I'm on my way to a cono to pack up [redacted] room. I guess I'm going to store it in my dad's office until we get a next to Kin. Also Pat called me about 11:00 p.m. about [redacted] she had freaked out about something so I'm going to check in with her also she may be in the hospital if so I might go ahead and pack her room up too.

👍 thanks - will you let me know an update when you leave? I'll do walkthroughs with Pat this afternoon. Also we're sending out the press release today hopefully and Mr. P just sent this - can you guys do that?

Yes ma'am

Thanks :) He just called and said no one was on cameras overnight

8/5/21, 10:06 AM

We got everything that would fit in our cars. We spoke to Pat and we left that right there and I'm going to bring a truck at 8:00 a.m. but y'all can still do a walk-through of that room there's nothing wrong with it

Liked "We got everything that would fit in our cars. We spoke to Pat and we left that right there and I'm going to bring a truck at 8:00 a.m. but y'all can still do a walk-through of that room there's nothing wrong with it"

Thank you!

8/5/21, 11:18 AM

Hey the press release just went out and Mr. P asked if you're able to come over just to be sure things are good in case any media show up

I have already let everyone know about the media. I have a Dr appt with my grandma that couldn't be missed and we're here now. Kat has it under control

I will try if I get out of here soon.

8/5/21, 3:13 PM

Hey I'm at econo - should we walk through [REDACTED] room or is that still in transition?

It's still in transition because as you saw from the pictures the bathtubs are still not in the rooms at ramada

8/5/21, 8:04 PM

Hey are we doing a check-in in the morning because Sue is gone and you and I talk daily? Lol

Also I was going to try to get to the econo early so I can get that room cleared out

8/6/21, 7:34 AM

We can skip it!

So she moved to 301 or you mean the other room?

[REDACTED] hasn't moved bc Mr Patel didn't have the rooms fixed.

There are no bath tubs

I'm going to finish clearing out [REDACTED] room.

I can't get anywhere with Mr Patel about 301 also [REDACTED] room 322 has her bathtub tore out of it

8/6/21, 11:08 AM

Hey Emily so [REDACTED] room is cleaned out and [REDACTED] room is cleaned out so they are no Piers or belongings at the econo Lodge.

Peers*

8/6/21, 2:09 PM

Great! Thanks!

8/6/21, 3:50 PM

Who is Gwen Wisler lol

City Council member :)

I'm sorry I've got to go pick up Nathan

You're totally fine - thanks for doing this!

Of course thank you for everything that you do!!

8/9/21, 8:20 AM

Good morning, just real quick the only thing I seem to be running into is funding for the ID's and Birth certificates. ESG isn't even up and running yet so we just don't have that funding. Any ideas? Most IDs and BC can be ordered online and we get all the way thru the process with someone only to not be able to pay for it.

8/9/21, 10:47 AM

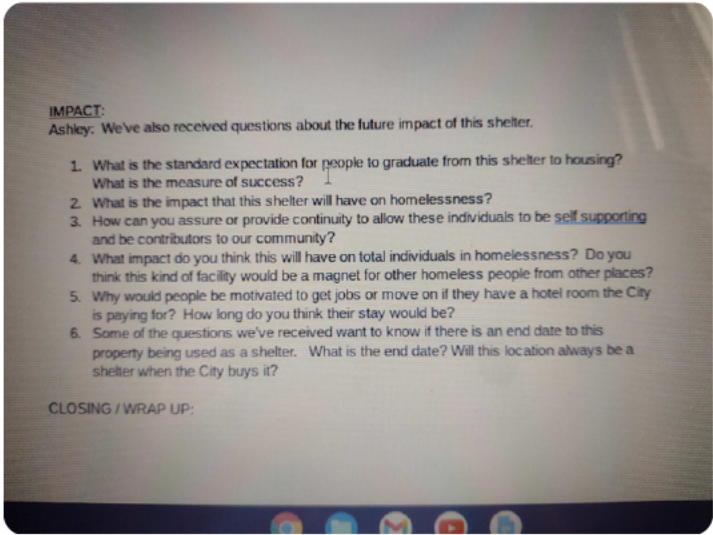

Morning! IDs are free for homeless folks if you guys write a letter for them verifying that they're in shelter with you - I'll email you a link. Do you know about how much budget you need for birth certificates?

Hey so yeah that's wonderful but then we would have to get an appointment at the DMV which are about 2 to 3 months booked out how would we go about that online? I'm not sure on the birth certificates they usually don't cost over \$10

Ah - I'm sorry I don't know actually. Can you have one of your folks call the DMV?

8/9/21, 2:47 PM

Hey so on these questions for the thing tonight I see a part where it says Ashley is that the other Ashley bc I don't know the answer to these lol

Yes! Her name is there because she'll intro that section but we'll divide those questions up. Did you see we're meeting at 5:30 to pregame?

Yes ok good haha ill see you at 530.

8/9/21, 5:19 PM

What would I say about the lessons learned about the current operations?

I'll call you in just a few

I like your glasses! Also your hair looks great 🍷

Thank you

This is a silent pre game 😂

Everyone's nervous - I'm always nervous we're actually live and I just don't know it!

I helped me Patel today at the front desk today for an hour !!! Lol

Baha, so nice of you!

So good!!

When will we be able to see it?

I think it's already up on the city's YouTube channel

I don't see it lol I'll check tomorrow Jacqui wanted to watch!

8/11/21, 8:44 AM

Morning! How was last night?

Seemed well from the notes. Someone was on camera. I'm about to head into a meeting 😊

Liked "Seemed well from the notes. Someone was on camera. I'm about to head into a meeting 😊"

8/11/21, 10:59 AM

I'm sad about this job posting for the city lol I thought you would be my contact person for the shelter 😞

🥰 well I'm not going anywhere and I'll still be involved!

Better be haha

Loved "Better be haha "

8/11/21, 6:02 PM

Just a heads up we had to kick out [REDACTED] the guy I was telling you that I knew was dealing drugs. There was a big physical altercation and the law was called now he's texting me with all these threats and stuff because he's mad that he has to leave. I think he's full of hot air but I just wanted you to be aware.

He's being irrational lol but he is unsafe to our peers and is selling drugs.

Just a heads up 😊

Good decision! Thanks for the heads up - do you need anything?

Thank you I just wanted to tell you. He's mad and of course has all kinds of bad things to say . I'll see you at 9

8/12/21, 12:01 PM

Hey just confirming that you're off the hook for tonight 🍷

Wonderful thank you and good luck you guys represent!!

Are you at 59 rooms (60 with your office)?

I'm counting 61 on my paper then us but that's with 322 and 332 which are empty.

So yes

Liked "So yes"

So I have a question. We have a couple that moved in here together. One is on parole and he's really trying to do right. His probation officer came by here today and said he may absolutely not room with the girl he's in there with which is his girlfriend because she is a felon and on probation also but they're both really good peers they just can't be in there together, since they're both already in the program can we move one to one of those empty rooms on the third floor?

I just wanted to ask but I'd like to accommodate them if I can because they are behaved.

Yep!

That's wonderful thank you.

8/13/21, 8:16 AM

Hey can we bump our 8:45 to 9? I'm running late 🙄

If it's quick I have an appointment today and I have to leave my house by 930 at the latest.

I'm pretty sure Sue is still on vacation until Monday but she may join?

Hmmm the check in link has a red line thru it 🙄

8/16/21, 7:59 AM

Morning! How was the weekend?

I didn't hear from Mr Patel and the notes look good. I also didn't hear from my lead so that must mean it was good right? Lol

I try not to talk to anyone there on the weekend 😂

No kidding - no news is good news!

8/16/21, 10:18 AM

Yes to \$100 gift cards at the vax event!

Yay!!

8/16/21, 11:52 AM

Any word on funding for ID's?

And birth certificates? I finished the files for Liz.

I'm being her today

Great! I just asked again about funding and will let you know

Will you call me when you have a few? I just have some econo invoice questions

I sent it from my other phone

Thank you!!

What was your room number at econo?

124

8/18/21, 7:41 AM

Good morning I'll update the tracker today. My computer was actually acting crazy! Lol

8/18/21, 10:45 AM

Thanks! We'd talked about outreach for today but I've gotten a million meetings and I just can't swing it 😞

That's ok! Will I see you at 3:00?

I'm about to ask you guys if we can be virtual today - I'm just jammed!

I'm great with that lol

8/18/21, 2:24 PM

8 am is fine with me. He may be grumpy lol

Lol 😂

8/18/21, 3:59 PM

Starting next week are Wednesday meeting could we move to earlier? Nathan starts school Earlier would work better. Either in the morning or at like 1:00 or something? Just let me know thanks

Yep that'd be fine by me! Can you bring it up when we meet tomorrow

Yes I can. Thanks! I can manage the three just earlier would make it easier LOL

8/19/21, 8:42 AM

Morning! Are you still at 82 people in 61 rooms?

I just updated the tracker 81 people [redacted] was asked to leave her bf still has the room yes 61 rooms. 60 being used 59 with peers one for us and 1 vacant

I was just reading that last email you sent so the deadline was pushed back from the 24th?

No she's advocating for that but using really strong language!

I can't see that it's updated?

Hmm lemme see

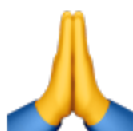

When you click the August tab 8/9 through 8/15 is updated I won't do 8/16 through 8/22 until Tuesday we do it the following week. 😊

Bah, i was looking at the version I'd downloaded last week instead of your live version. Thanks! Great about 4 jobs! Do you know where? Hopey + 3 others?

Yes 3 other [redacted] and [redacted]!

Awesome! What are the jobs?

They are working for Hire Quest . His name is Scott I'll send his Card. He even picks them up and drops them off if they need it. It's verifiable income.

That's great

I was just curious

Yeah I'm just saying Scott's been really good to our people and they get check stubs and all that good stuff and he understands the barrier of transportation so he helps them with that also.

The company is called hire quest

Loved "Yeah I'm just saying Scott's been really good to our people and they get check stubs and all that good stuff and he understands the barrier of transportation so he helps them with that also."

8/19/21, 11:45 AM

If I have housing authority applications for some of the peers where do I turn those in at?

At the HACA main office, 165 S French Broad (closed Fridays)

Thanks

So when we're doing the homeless history we have a peer who did 18 years in prison is that considered homeless? He was homeless 6 years prior to that.

I know when I lived at steadfast house I was considered homeless because it was a shelter

No - once you're in over 90 days you're not longer counted as homeless (that's a HUD definition)

Ahh ok!

Thank you

8/19/21, 4:26 PM

So she's pretty much saying that I never have to quarantine 😂😂

It doesn't make any sense to me but excellent!

She means you actually - I told her your econo idea

Ok

8/20/21, 8:28 AM

Good morning check in at 8:30 or 8:45?

Morning! 8:45

8/24/21, 9:03 AM

Good morning Mr Patel tells us that he doesn't have any toilet paper but I'm sure his other guess at the hotel have toilet paper and we are paying for rooms just as much as they are. We shouldn't have to go to Sam's and buy toilet paper for our peers. Just saying

8/24/21, 10:16 AM

That's right - is that just today?

It's been for a couple days over the weekend. We just had to buy some

8/24/21, 12:06 PM

I texted him and he said he got some yesterday and to ask at the desk - let me know if that doesn't work or if it continues to be a problem

8/26/21, 11:38 AM

One thing I want you to chat with Mr. Patel about is mold in #110 #114 . Like falling out of the ceiling

8/26/21, 2:27 PM

👍 let's talk about it in the morning and I'll follow up

8/27/21, 7:45 AM

Susan vacation again so I guess it'll just be me and you in the meeting. Also I'm not really feeling the walk around today from 10:00 to 12:00, I had my covid booster and I'm just not feeling the best. 🙄🙄

Sue*

Oh right! I forgot about her being out. And yay booster but sorry you don't feel great! How about we just talk at 10 for a few to check in? I'll just call your cell instead of sending an invite?

That sounds wonderful lol I just have a headache and I'm achy just yucky lol 😊 yes anytime is fine still working just gonna do it from home 🙏

Liked "That sounds wonderful lol I just have a headache and I'm achy just yucky lol 😊 yes anytime is fine still working just gonna do it from home 🙏"

Hey let's just check in Monday - is that okay? I'll be there in the afternoon for that second site visit. Great about [REDACTED]! Hope you get some rest this weekend!

Thank you and yes thats fine.

8/27/21, 11:11 AM

Mr Patel hired my friend and she asked for 16 an hour and he gave it to her 🙏

Great!!!!!! That is excellent for her and for him

Good job you!

8/30/21, 8:44 AM

Good morning, what time is your walk through today? The other site visit

Morning! 2:30

Ok good because we have that vaccine event from 11:00 to 2:00. I didn't want it to be too hectic lol

Totally - I scheduled 2:30 based on that. I'm excited that you had so many signups! It'll be interesting to see how many people actually come. Will you track the number of peers + number of staff/others?

Yes I will!

Can you check with Mr Patel about the phones? They can't call out and they need to make local calls
