Hi Ashley â€” this is Ben from [Pallet](#). We are a social purpose company that manufactures and deploys rapid and dignified shelter communities across the countryâ€” we partner with cities, counties, and service providers, and have 60 sites across the country with more than 2,000 shelters.

Â

I just spoke with Amanda from your front desk and she recommended that I reach out to you. I understand youâ€™ll need a rapid solution to providing shelter for the folks that will be evicted from the Ramada Inn. We could have 80 shelters shipped out and assembled by the middle of February, and we also manufacture bathrooms, laundry, and community structures. We would love to be part of the solution to homelessness out in Asheville, so please let me know if youâ€™d like to learn more.

Â

For more info, feel free to check out this article on our recent deployment in [Madison, WI](#), and [Boston, MA](#). I hope to hear from you soon!

Â

Ben
