Emily or Brian,

Ã

Can you send this out to homeless service providers, please?

Ã

We are working on distribution plan for 5000 at-home rapid antigen test kits and many more KN95/N95 masks. I'd like to know if any homeless service providers were interested in obtaining some of these supplies. I know they have access through other programs. Our plan is to distribute them next week. If any are interested, they should send me the following information ASAP:

- Facility/organization name
- Address
- Quantity of rapid test kits desired
- Quantity of masks desired
- Contact person
- Contact person's phone number and email
- Need Spanish language instructions for kits? Yes/No
