Thanks for the update  
All great info For now hang tight and as soon as we get our new HACA case manager hired we'll grab those HACA files I'll get William to send in preferences for these folks now  
For Woodfin, I'm hoping we can take one next CAM, will ust depend on reno work in the building, but I'll keep y'all posted

Hello! Jessie, Kat, and I met this morning and made a plan - sharing the overview with you and copying them to keep us all on the same page. I'll just use initials/HMIS numbers for folks for confidentiality purposes - if you all reply all with updates can you do the same instead of using any names?

#### HACA

- (112246 + 450721): they're a married couple and had already submitted a pre-app so just need a preference. Files are complete.
- (554490): pre-app turned in today. File will be complete next week (has SSI and ID).
- (538712): pre-app turned in today. File is complete.
- (555222): pre-app turned in today. File mostly complete - working on disability verification and then done.
- (118563): pre-app turned in today. File mostly complete - working on disability verification and then done.
- (367651): pre-app turned in today. File mostly complete - working on disability verification and then done.

All these folks have ID, aren't on the banned list, and don't owe arrears (Jessie confirmed with HACA today). For the 3 disability verifications, I've asked if MAHEC could send someone out for CCAs, and if that doesn't work we'll figure out another option.

#### Woodfin

We have 2 people identified, and files are complete for both: 487168 and 548351.

Let us know what else you need? Thank you!
