Hey, just checking in - do you know if any of these folks aren't able to participate today after all? I have: Randa, Christine, Ashley, Tanasia, Hope, Courtney, Jessie, Samantha, and you. Thank you!

I'll check in with him this morning and let you know. Hale was the only person who reached out and said they could make it

Couldn't

Thanks! Kat and Sue told me yesterday that they can't make it so just wanted to check about everyone else

Samantha and Tanasia cannot get childcare so they're out.

Hey how long will you be there today?

I have some errands to run right now. I'm not really sure

I don't actually know what to do bc no one is moving their stuff. 😞
