Hi! I'm at the Ramada and Jessie and I are working on room moves to the main building (yay) + the schedule and just trying to figure out how it can all work this week and next. Is there a schedule for leadership staff to be here and can they help with those moves? Definitely a good tie in with inspections since it'll be a great opportunity for folks to downsize a little if they need to + get the rooms they're moving out of cleaned. Just trying to nail down logistics and copying Jessie here too so we'll all be on the same page - thank you!
