

Successful INSPIRE grant applications will demonstrate the potential for individuals in recovery to obtain and maintain stable employment, with a focus on contributing to and expanding a strong recovery ecosystem of support services and training opportunities that lead to successful entry and re-entry into the workforce. Proposals may also include expanded community- and

partnership-based approaches to establish a stronger coordination among recovery and training services, as well as strategies to integrate plans with existing state and regional economic development activities.

^

Please take note of the following important dates:

^

• Letters of intent (LOI) for implementation grants up to \$500,000 and planning grants up to \$50,000 under INSPIRE are **due March 3, 2022.**

• Deadline for final applications is **March 24, 2022.**

• Award announcements are anticipated to be made in **early August 2022.**

^
