Hey Jenny. I am currently working on several folders for folks that this option will work for. We will also be meeting to identify more. I will reach out to you tomorrow by phone if you will be available.  
Best,  
Kat

HeyÂ Ashley and Kat,  
Homeward Bound is in a position where we could pick up some additional clients from you all for our case management team that works with public housing placements. These don't go through CAM.Â  
Do you all have any chronic shelter participants who are willing to go the HACA route? Let's touch base this week if you have any folks and see if we might be able to take these folks. They would go through the regularÂ HACA preapplication process and then HB would turn in their supportive services preference for case management. Placement wouldn't be immediate, but hopefully before March.Â  
This is what I'd need from y'all:  
Chronic Homelessness documentation  
Willingness to live in publicÂ housing (This is not a voucher, they have to live in a HACA property)  
ID  
Social Security Card  
Birth Certificate  
HACA preapplication  
HopingÂ maybeÂ y'all have a few folks!
