Yes! We have a whole stack of HACA applications filled out and ready to go. Just let me know where to take them. Nice to meet you Jenny

Hey y'all,

I talked to Jenny earlier about HACA referrals and she said they're not formally taking anyone right now until they refill that case manager position, but that it would make sense to go ahead and talk through folks with completed files so some people are lined up and ready to go as soon as they're able to take people again. That was different than what I'd thought so I'm emailing you all together just to be sure everyone's on the same page.

Jenny, correct me if any of that is off? And Jessie (and Kat), can you connect with Jenny about the folks you have for HACA who have files completed?

Let me know how I can help!
