---

Hi all,

Sharing the below info as follow up to our community call this afternoon:

**Isolation & Quarantine**

The County continues to have a contract with Salvation Army for 2 I&Q rooms. As of today both rooms are full, but they have had some availability and do have the possibility to expand beyond two rooms if they become aware that the current capacity isn't meeting community need. I&Q rooms are accessed by calling the Communicable Disease line at 250.5109.

**PPE**

Free PPE is available from the State for homeless service agencies by using [this link](#).

**CDC Webinar**

Dr. Mullendore shared the attached slides from a CDC webinar focused on correctional facilities and homelessness.
