---

Absolutely we have staff 24/7 and our room is 341 so maybe you can just have them come up and connect and we can see what we can do to help them.  
Thank you

Absolutely - Ashley Lung is the shelter director there and I've copied her here as a heads up. Her number is 475.9952.

Hi Emily and Brian,

I have a family who was recently evicted from Hillcrest. They are in the process of getting a room at the Ramada (regular, not shelter). I know that Sunrise is working over there with shelter residents and since they are currently homeless was not sure if I could connect them, mainly just as an advocate for their situation if they had any issues. Do you have a person I could contact over there? Thank you!

Sincerely,

Jess Supik
