Subject: Re: Inspections this week

Works great for me. See you Wednesday @11!

Room 313 & 310 are moved out and cleaned by housekeeping. 303 is the last one but we are given her until the end of the week to come get her belongings then we will clean it.

Anything else you can think of that needs to be followed up with just let me know.

????????

Morning! Hope you had a good weekend. I'm looking at my calendar for blocks of time to do inspections this week - can we do Wednesday? I'm thinking we finish the ones on the first floor that we couldn't get to the other day + circle back to the folks we talked to about having those few things done by Wednesday. I can be there 11 - 2:30 if that works for you?
