

Room Inspections

Rooms should be in - or be making progress back towards - basic hotel condition. Prior damage is documented, and any new damage should result in a strike based on program guidelines.

Basics

- ☐ Have functioning smoke detector (test)
- ☐ Be tidy enough to walk through (have a manageable amount of belongings that don't block access or create fire safety issues)
- ☐ No new pets

Furnishings

- ☐ Beds assembled
- ☐ Mirrors present and undamaged: 2 on walls, one in bathroom
- ☐ Furniture undamaged (no writing, no stickers, etc.)
- ☐ Large framed picture present and undamaged

Other damage

- ☐ Check walls, doors, windows for damage (e.g. holes, writing, stains)
