Sounds good! What about tonight and tomorrow night? If you have folks available, can you overtime them to be sure we have coverage these 2 nights?

I spoke with Jacqui today about possibly having to have a couple people work OT so that we can make sure there are 3 people on shift at all times. We are waiting to hear about TJ and then we won't have to do that :) I told Jacqui that you said you were ok with the extra \$\$ being spent, for Patels sake.lol
