Hey, what's your schedule like tomorrow? Seems like it'd be good for us to catch up + have a meeting for me/you/Jessie + catch up with Mr. Patel (or I can do that without you and start looping Jessie in going forward?), and I told Jessie I'd be able to do room inspections starting at 3. I have some midday meetings but I could come over in the morning to meet with you and Jessie if that makes sense? Let me know what you think!
