Jess would have that info. I am not sure who all there was in that group for HACA. If I knew I could tell you which has income. Sorry It took so long to respond.

Do y'all know if any of the HACA folks have income? I can't see their HMIS entries for Ramada so I can't tell :)

Hello! Jessie, Kat, and I met this morning and made a plan - sharing the overview with you and copying them to keep us all on the same page. I'll just use initials/HMIS numbers for folks for confidentiality purposes - if you all reply all with updates can you do the same instead of using any names?

#### HACA

- (112246 + 450721): they're a married couple and had already submitted a pre-app so just need a preference. Files are complete.
- (54490): pre-app turned in today. File will be complete next week (has SSI and ID).
- (538712): pre-app turned in today. File is complete.
- (555222): pre-app turned in today. File mostly complete - working on disability verification and then done.
- (118563): pre-app turned in today. File mostly complete - working on disability verification and then done.
- (367651): pre-app turned in today. File mostly complete - working on disability verification and then done.

All these folks have ID, aren't on the banned list, and don't owe arrears (Jessie confirmed with HACA today). For the 3 disability

verifications, I've asked if MAHEC could send someone out for CCAs, and if that doesn't work we'll figure out another option.

**Woodfin**

We have 2 people identified, and files are complete for both: 487168 and 548351.

Let us know what else you need?Â Thank you!
