Good updates below! No news yet on the HACA or Woodfin folks but here are updates for everyone else.

Hi Emily,

Here's an update on housing the clients over at Ramada Inn:

- [REDACTED] --we're offering him a second unit that is available now (he had been waiting on a different unit to turnover). If he likes it, we will submit application
- [REDACTED] --we have not yet met with this client, we're awaiting to hear from program staff to setup a preference meeting
- [REDACTED] we're going to be offering to show him a unit after seeing it tomorrow
- [REDACTED] --landlord turned his application down for one unit, now has a pending application for a PPM available unit
- [REDACTED] --his unit is being inspected by HACA today and he should be moving in shortly
- [REDACTED] we have a pending application in for a PPM available unit
- [REDACTED] --client turned down first unit he was approved for, now has a pending application in appeal for another unit
- [REDACTED] we're waiting to hear if a landlord will approve his application. If denied, we have another unit to offer
- [REDACTED] --he will be moving into a unit within the week
- [REDACTED] he is approved for a unit, but the floors now have to be redone, not yet sure on timeline for move
- [REDACTED] -- we have not yet met with this client, we're awaiting to hear from program staff to setup a preference meeting

Thanks,
Jessie
