Hey, I just looked at the schedule and no one's on overnight tonight - just checking to be sure that's not right?

Sue Polston

It might be. We just had 2 overnight people quit. Let me see what is what.

Just talked to Jessie and it's fine! Maybe just got accidentally deleted

Jessie Cadieu

Domo and Debbie will be there lol sorry

Sue Polston

Omgahhhh. Thank goodness

Jessie Cadieu

I probably deleted it by accident when I took Lindsey off the schedule for tonight 😬
