Hey all! HUD guidelines are that folks can define their own household composition, so if she as the person slated/head of household is defining her household as including him, that should be eligible. Let me know if you have questions!

Hey Ladies,

I've got a quick question about one of our peers' housing vouchers [REDACTED] and [REDACTED] are both residents at the Ramada and [REDACTED] has picked up a Helpmate voucher with you, Effy. We were told at the beginning of the process that [REDACTED] would be able to move in with [REDACTED] because he was not the abuser. They have shared concern with us that this is not the case and [REDACTED] will not be able to move in with [REDACTED] which has caused some stress. I just wanted to start this conversation with you guys so we can help ease some stress to [REDACTED] situation and worst case scenario start trying to find him a place to go.

Thanks so much
