Hi,

I was forwarded an email back in September that I believe was written by Shannon Owenby but sent via you regarding a dog named Max after some incidents with his then owner Ryan Feggestad.

We have a new situation with a potential new resident within your group. An Ashley Morton stated to us, in the process of trying to reclaim her dog (unverified), that she will be moving into room 412 on Monday the 18th with a man named Nathan, but she stated she did not know his last name. "Her" dog, if she can reclaim him, is very nice and gentle but is a very large dog.

Do you know anything about this? Is she approved to be there, and if so, is her dog allowed to be there? Any info you could provide would be greatly appreciated.

She does appear to me to be a woman greatly in need of assistance.

Thanks,
