I don't really know what to say to these rude people at the apartment's and I sorry but I have nothing nice to say so I'm going to choose to say nothing at all. I received no call nor email about any of this from Tabitha. I double checked. The way they speak about people is wrong, our peers are humans like everyone else. I'm here to support in whatever you need but I'm here for a solution not for them to talk to me or about the program the way they do 🤔🤔🤔🤔 thank you guys for all you do.
