Good afternoon Sue,Â

My name is Laura Near and I am a new(ish) employee in the Community Development Department for the City of Asheville. I am reaching out on behalf of Emily Ball in regards to the contract with the Ramada Inn and Sunrise Community for Recovery & Wellness. We are working diligently to get this Contract approved as soon as possible. We have discussed conducting a wire transfer for reasons of expediency. With that said, our Department would need your Organization's wire transfer information. If you could send that information to me or Emily it would be greatly appreciated.

Thank you in advance for your assistance,
