Morning Everyone, I wanted to update you all on my new role. I have decided to leave the MAT/JAIL position, mostly due to losing after school services for my son, I was not able to be present at the jail like I wanted. I am still with Sunrise, taking over the office manager role. I will keep you all informed of all the cool things we are doing over at the center, and how our drug court participants can utilize our services. I will send out our group schedule, maybe a participant is not into traditional NA/AA, we have some really great online support groups. Also, we have one-on-one peer support. So, if a participant is not linked with a peer at another treatment program, then we would be more than happy to have them linked to us. You can always give me the info and I will have one of my staff, or myself will reach out to start that engagement.

That being said, I am still going to attend drug court staff as a peer voice. I still would love to continue to weigh in on situations. At the moment I am still supporting the few peers I was working with from afar. Maia Hughes is taking my role as lead over at the jail. She will be the main point of contact for jail related tasks, mat participants, and updates regarding peers we have been working with. Her email is Mhughes@Sunriseinashville.org and she also has a county email.

Unfortunately, my staff meeting with my new team is Friday's @9, which will cut into drug court staffing. I may change our meeting day soon, so I can attend both. Maia will start attending DC staffing next week.

Thank you for letting me be a part of an amazing team , and I look forward to continuing to work alongside each of you in a new role :)

Happy Friday,
