Ashley,

Can you look into this?

Thanks,
Cathy

Hey Cathy- at 6:30 this morning, there were 4 people in front of our stores at River Ridge. 2 were from the Ramada Inn and 2 were friends, I guess of the 2 that were in the Ramada Inn. They were out front of Aaron's and the J&S that's about to reopen. This makes the tenants very nervous when they come to open.
