Ã

Just wanted everyone to know Sue Polston from Sunrise and I have officially picked a day to start an alumni/mentor group for participants. July 6th at 12pm we will be having a picnic lunch in Pack Square. This will be a great way for participants to connect with peers who have successfully completed DTC and are doing well in the community. We are going to try to make this a monthly thing, and also the alumni are available to speak one on one with anyone struggling at any time during their program. We have 6 graduates so far that will be a part of this and my hope is to have even more ☺
