I have 27 years of experience in the electrical trade. I have also worked for MB Haynes for those 27 years where I attended a 4 year apprenticeship program and continued on to get my Asheville city journeyman card. I kept this active until I got my NC Electrical Contractors License in 2000.

I worked directly with our apprenticeship program and apprentice's to get them the hours and training to take the next step to get the Asheville City Journeyman's card.
