To Whom it may concern:

I am writing in regards to the open position within the Neighborhood Advisory Committee. I believe I would be an excellent candidate for this role as I have a strong interest in neighborhood planning and communication as well as the requirement of living within the 28801 zip code.

I have traveled around the country and lived in many different neighborhoods. I believe I am apt to the interest of my neighbors. Some time ago my wife and I had decided that Asheville would be a great city for us to raise our son and spend the rest of our lives in. While making this decision it was also important that we make ourselves as integrated to the neighborhood as we can. We love our neighborhood and City and I think that taking this role would be an excellent position to assist with maintaining the charm that pulled us here as well as ensuring the better future of things to come within the neighborhood.

My professional experience on preventing unlawful attacks on businesses and corporations has prepared me for a clear line of communication to aid in the understanding of the situations that come to me. I would hope that these experiences and my love of the City, Neighborhood and residents of Asheville would compel you to select me as your possible candidate.
