I have been in the nightlife industry in the past and understand the conflicting needs of business and residential interests and have helped resolve them. I currently live in West Asheville and experience the need for ongoing and evolving noise abatement. am currently owner of a flooring installation and refinishing company that has me visit every corner of Buncombe County in a way that hardly anyone else would. Therefore, I understand that all neighborhoods need fair attention and solutions in their unique ways.

I have lived in Philadelphia, Pittsburgh, San Francisco, Los Angeles, and New York City prior to Asheville. I have always taken a proactive participation in the well-being of my neighborhood and my city. I'd be honored to be of service here as well.
