Thank you for the opportunity to apply and to present to the review committee.Â

As needed, we are prepared to resubmit our application with the appropriate sequencing of documents. Please let us know what next steps may be, and - again - thank you for your time and support in this process!

In order for them to be properly sequenced, you'll need to add the numbers, too, like:

- 1 - (form name)
- 2 - (form name)

It's the numbers that sequence the forms properly.

Please don't put any reference to "NC-501" on these document titles. They know your application is coming from NC-501 since each Continuum of Care has its own Smartsheet applications link.

Let's wait until after the review committee meets before you do another upload. I think it'll just confuse them if we do it now. It's mostly the state that'll fret over the documents order.

Please call me if we need to discuss in more detail.

Hey, Brian - I was just checking out our confirmation of form receipt and noticing that despite my careful efforts to upload the files exactly as they are listed in the list of required documents, they do not seem to be in that order here in the list of files we uploaded.

I have no idea why they got auto-organized in this particular order. I can try to upload them again in the preferred sequence if they did not show up on your end in the order they need to be in.

I definitely made sure that they were in this order prior to submitting them:

- 1 - Completed ESG-CV Project Application for Sunrise Community
- 2 - ESC-CV Project Budget Worksheet
- 3 - No Overdue Taxes Certification Form
- 4 - Annual IRS Exemption Verification Form
- 5 - Annual Conflict of Interest Verification
- 6 - Conflict of Interest Policy
- 7 - Current Certificate of Insurance
- 8 - IRS Tax Exemptions Letter
- 9 - W-9

Thanks and please let me know if I need to give it another go.

Faith
