Thanks - we will connect with them!

Beloved also said they were heading out to the Hill St encampment today to assess clean up and trash disposal needs.

Our goal would be to provide trash carts and service to the site if we can access it.

Thanks,

Jes

Thank you so much Emily for making the connection.

Hi there Jess! I have received pictures (attached) of the location. One of our staff members, Knowledge Green has bagged up lots of black bags. He just bagged up Aston park too. He can be reached at 828-505-5146 and would have more info than myself.

Thank you so very much!

Thanks Emily!

Sue,
Feel free to email me or give me a call at 828.230.3280. Happy to assist and appreciate the clean up!
The sooner we get to them, the better, so that they don't get scattered by wildlife or other people.
Thanks

Hey Jes,

I'm writing to connect you with Sue Polston who's the Executive Director at Sunrise Community and copied here. One of her staff did a big cleanup at the Hill Street camp and they're wondering about getting those bags picked up, although it sounds like they're in a tricky location. Sue may want to add more detail, but I wanted to go ahead and get the right people in touch. Thanks both of you and let me know how I can help!
