Re: Records

Gaston College does not maintain these specific records, and as per North Carolina General Statute 132-6.2, is not required to create or compile a record that does not exist; however, the College attests that it complies with federal and state minimum wage laws. For example, part-time staff positions that are funded by North Carolina State funds are compensated at a minimum of \$15.00 per hour, and depending on the position and its associated duties and responsibilities, the hourly rate may be higher. For part-time faculty positions, the College meets or exceeds the minimum salary level by education level as required by the State of North Carolina.
