Will you please increase the patrols by Taft Avenue/McKinley Avenue. Thanks. Like that the Marshalls quickly arrested the murder suspect in Charlotte this past week. Esther/Sage(et al), Mr. Zack needs more help at the APD. Help that man, please. Our city needs it. -Holt and Piper Pearce

Will you please increase patrols in the neighborhood. Taft Avenue between Grant and Brooklyn and McKinley Avenue specifically. Thanks. There are people nearby on

motorized bikes(dirt bikes) that *appear* to be running drugs/illegal narcotics fairly regularly. The TIP2APD text thing doesn't respond well at all. That needs work at the Department.

Also increase patrols for the "fireworks" we are likely to incur this coming weekend as well. As a mostly deaf/HOH🔇🔇🔇🔇🔇 Person this stuff still bothers me. Not to mention the gunshots up in the air are still dangerous to others below.

Damn. I saw a blurb about one of them but not the others. That is not good. I hope you and the Department get some kind of help or relief from the leaders of COA . . . Thanks for yyour reply. To me it seems like shootings increase when the weather gets warmer/hotter outside. -Holt Pearce

We will do our best. We had three shootings this week alone in north and west Asheville.

Holt,

APD will do its best to increase patrols; however, as you may or may not be aware, APD is down more than 40% of staff most days. Gun violence in our community is at an unacceptable level and our highest priority. Progress has been made. The number of "shots fired" calls has been reduced by almost 20% over the past year, and victims of gunshot wounds are down over 30%. The work will continue.

Thank you for taking the time to write. Never hesitate to reach out. Perhaps a community meeting could be arranged to further discuss crime issues in and around Shiloh?

Subject: Mr. Zack Shiloh shootings

Hi, Mr. Zack,

We need more patrols on Taft Avenue, McKinley, Grant, And Jeffress perpetually. The Shootings here are unacceptable. 2 publicized in the last two weeks. Probably others that aren't. The reallocation of funds in unacceptable and the appropriate people on council have been contacted by me. The mental health resources aren't working. We need a show of LE's regularly in Shiloh. Please make this happen. The last one happened 2 blocks from our home and my daughter was upset and scared and crying and at home when it happened.

Thanks for listening.

Holt Pearce Asheville resident of 13 years, Shiloh resident of 5 years, voter and constituent of 13 years here.
