Hi Debra,
Please see the request below. Would you like us to reach out to David or Tara at the Housing Authority first to see what was discussed at those meetings? Let me know how you would like to proceed.
Thanks,
Jenna

Hello,

We would like to schedule a meeting, sooner than later, with Ms. Campbell concerning the firm PPM (Partnership Property Management) which manages Maple Crest and several other locations in our county.

Our daughter and granddaughter live in the Maple Crest building that also houses the tenants that have been engaged in illegal activities for the past several months and hosted the event that led to the murder of the 20-year-old this past Friday night.

We have had in person meetings with HUD and PPM about this particular tenant, several other tenants and many other problems that still exist at Maple Crest. Our meetings with Irby from HUD and Janelle from PPM were very productive as we highlighted the problems and hashed out what was needed for solutions.

We want to see people live where they can navigate life without fear of violence and a safe place to raise their children.

Thank you,
Kiersten and Weston Hall
