Provide the historical numbers as well. I just thought 2021 should be carved out.

Chief Zack,

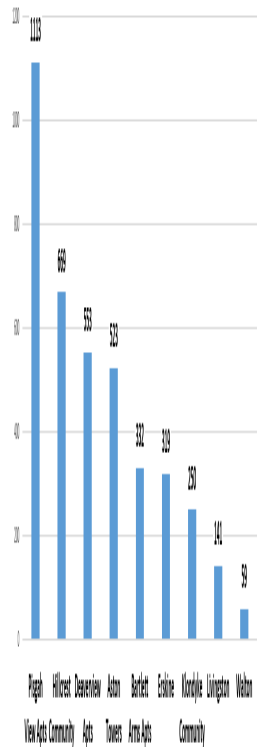

Related to the meeting with Marcus and Darian from Equity & Inclusion, here is the information we discussed providing. For simplicity's sake, we're showing the annual average for crime and calls by PH complex. I will also provide them with a definition of violent and property crime. If you have any questions, please let me know.

2021 Calls for Service

*These averages represent calls for service responded by APD and received from within each complex.*

2021 Calls for Service

**Violent crime** is defined by the FBI's UCR Part I as composed of four offenses: murder and nonnegligent manslaughter, rape, robbery, and aggravated assault.

**Property crime** is defined by the FBI's UCR Part I as burglary, larceny-theft, motor vehicle theft, and arson.

**Other crime** includes FBI's UCR Part II crimes and all local and state offenses.
