Debra – I am copying Maggie here. Maggie asked me about this last week and I had the same concern about waiting for the public input process to wrap up. Maggie, did you already tell Kim that staff wants to wait?

Hello Mayor. I hope you are having a good day so far.

I am writing in response to Kim's request to place a resolution or have discussion of the Merrimon Ave. Streetscape project on the 3/22 agenda. Below is the message I got back from the Transportation staff.

We should not have it on the council agenda. The survey closes on March 21 and then we will need to take stock of the public comments and have discussions with DOT. IF it even comes to council, it would be later in April or May.

Jessica

Would you like to respond or do you want me to respond to Council and/or just to Kim?

Debra

Good morning. Can someone please help me understand the urgency in having this on the 3/22 agenda? Also if there is a process or timeline for this project, please let me know that as well.

Mayor and Colleagues,

FYI: a liaison report from MMTC is forthcoming, which includes a recommendation for a resolution in support of the Merrimon corridor conversion and a request for it to be on our March 22nd agenda.

With Gratitude,
Kim
