Chief,

I wanted to reach out and see if you and the Department would like to participate in Driving Simulator Training put on by Wake Tech CC.

The training is twofold:

1. There is an online training module that needs to be completed (30 Days to complete 8 Hours of Training)
2. The simulator will be brought down to Brunswick County and setup up. Officer will be scheduled to a time to arrive and complete a 35 minute driving simulator course)

Please let me know if the you would be interested in the Department participating in this free training.

I will send the registration link out to be disseminated to you the officers.

Thanks,

Matthew Selves
