Hi Paul,
How are you doing?

I wanted to touch base to see if you have heard anything from Jimmy regarding the website. The editor of our journal, Gail, has asked for an update.

Also, we should be finalizing the contract for the conference in Feb. and should be ready to send a call out for papers by the end of this month. Do you think Jimmy will be able to update a few things on the website for us? I'm sorry for not including him in this email, I can't find his email right now.

Thank you!
Zahra

Hey Paul! Thank you for that! I am waiting for Kristie to sign off on the hotel paperwork since she has all the financial information. Once that is done I will update the entire e-board and share exact dates.

Please re-send me Jimmy's email when you get a chance. No rush!

Zahra

Zahra,

I am doing great. I will make contact with Jimmy, I am sure he will be able to do what ever we need for the website to make sure the new dates are on it and for the journal. I thinking he was just waiting for the dates, and I believe he was creating the new website to make it easier for everyone to use.

Thanks,
