TIPS FROM FORMER DETECTIVE, DANIEL J. SEALS

Join us for an interactive experience showcasing modern, intelligent software

SECURE YOUR SEAT

MODERNIZE YOUR INVESTIGATIONS

Investigating incidents and crimes is one of the most critical tasks for any agency. But, often times it can be the most time consuming. A typical case only needs one critical case to accelerate the investigation.

Motorola Solutions understands how critical it is to access every piece of information in order to see the complete picture of case and close that case quickly.

Join us this November as we dive deeper into this concept and demonstrate how to leverage intelligent software tools to respond quicker and more efficient. You'll have a chance to see the software in action through an interactive crime scenario and even be

.
