Good morning,

I have either personally or through a committee member made contact with most of the law enforcement agencies and they have all agreed to the February 25<sup>th</sup> date for the active shooter exercise. If anyone has any issues or concerns please let me know and we may meet one more time by the end of the year. No sense in trying to do a whole lot during the holidays. Don't forget the SAR training in Bladen County at Jones Lake. For more information on Jones Lake log into NCTERMS or contact Robin.

Thanks,

*Aaron Herring*
