## **Open Case Review**

Wednesday Afternoon, October 26, 2022

If you know of an agency who would be interested in presenting. Please reach out to a board member prior to the conference if planning to present! They do not have to be conference attendees to present a case.

Finally, we will have a business meeting on Thursday afternoon, October 27, 2022, from 1:00-2:00 pm. We will have annual elections for open board member seats. If you are interested in running for one of these positions, a letter of support from your agency will be required. More information will be provided on the first day of the conference. We will also present and vote upon updated association by-laws during this meeting. A copy of the proposed updates is attached, with all changes highlighted. The current by-laws can be found [HERE](#). Please plan to be in attendance to cast your vote!
