LEA's,

Good Morning. In an effort to maximize the utilization of LESO issue equipment, and to save LEA shipping cost, in NC I am providing the below listing of items available for transfer. The items list stipulate quantity, condition and the losing LEA POC. For specific questions about these items please contact the POC.

All transfers need to be coordinated through this office. For those that would like to request Small Arms, an approval package is required, contact me for details.

You have 10 business days to stake your claim. **This will be a first come (notification to this office) first served distribution.** At the end of this period (**October 31, 2022**) the owning LEA will be given approval to proceed with the turn-in process.

Subject: LEA Items available for Transfer

LEA's,

Good Morning. In an effort to maximize the utilization of LESO issue equipment, and to save LEA shipping cost, in NC I am providing the below listing of items available for transfer. The items list stipulate quantity, condition and the losing LEA POC. For specific questions about these items please contact the POC.

All transfers need to be coordinated through this office. For those that would like to request Small Arms, an approval package is required, contact me for details.

You have 10 business days to stake your claim. This will be a first come (notification to this office) first served distribution. At the end of this period (October 31, 2022) the owning LEA will be given approval to proceed with the turn-in process.

Subject: LEA Items available for Transfer

LEAs,

Good Morning, In an effort to maximize the utilization of LESO issue equipment, and to save LEA shipping cost, in NC I am providing the below listing of items available for transfer. The items list stipulate quantity, condition and the losing LEA POC. For specific questions about these items please contact the POC.

All transfers need to be coordinated through this office. For those that would like to request Small Arms, an approval package is required, contact me for details.

You have 10 business days to stake your claim. This will be a first come (notification to this office) first served distribution. At the end of this period (October 31, 2022) the owning LEA will be given approval to proceed with the turn-in process.
