Elections Reference Guide for North Carolina Law Enforcement

Attached to this email you will find two documents created by the NC State Board of Elections in collaboration with the North Carolina Sheriffs' Association and the North Carolina Association of Chiefs of Police. Please feel free to distribute them to Officers and staff members who will be working during early voting or on Election Day who may be called to respond to a polling place.

This first attachment entitled **"NC Elections Law Enforcement Reference Guide"** is 12 pages and includes helpful information about preparing for elections, definitions of commonly used election terminology and statutes related to violations of the law that Officers could be asked to enforce at polling places. This document can be printed in a full-page format or may be printed in booklet format if that option is selected when printing.

The second attachment entitled “**Elections Quick Reference Guide for North Carolina Law Enforcement**” is a shorter document containing only statutes related to criminal violations of election law. This 2-page document also contains a QR code allowing Officers to directly link to the North Carolina State Board of Elections webpage where an online version of the 12-page document attached to this email can be located.
