Hi Chief Rockenbach,

[Lexipol](#) is an industry leader in supporting first responders and public safety officials. Over the past several months, we've shared the services and resources we offer law enforcement agencies including [online training](#), [wellness](#), [policies](#) and [grant services](#).

Still unsure? Check out these additional resources:

- [Law enforcement training catalog](#)- View the complete catalog of online courses offering a variety of topics for law enforcement professionals to meet state mandated requirements
- [Business case for Cordico](#)- Discover the value in delivering confidential, immediately accessible wellness resources for first responders.
- [Hidden cost of policies infographic](#)- Learn how sound policy can save your agency time and money.
- [Grants 101 tip sheet](#)- Gain an understanding of the basics for finding and obtaining grant funding for your agency
- [Today's Tip from Lexipol](#)- Watch risk management expert and Lexipol co-founder Gordon Graham share his expertise and best practices in a [free weekly short video](#)

Founded in 2003 with a mission to provide public safety professionals with the tools they need to better protect their communities, Lexipol has grown to serve over 2 million first responders and work with more than 8,000 public safety agencies. We would love the opportunity to address your needs. If there is anything we can do for you in the future, please don't hesitate to [reach out](#).
