**Subject:** School board selection

---

Hello,

I'm a parent of a Montford North Star 6th grader. Please interview everyone who wishes to be on the school board. Then please vote to include Pepi Acebo, Libby Kyles, and Kate Brewer Fisher on the school board. They are dedicated, knowledgeable, and trusted by the parents.

And then please change the process for school board selection so the positions are not appointed by city council but chosen by the community.

Thank you,  
Megan Hearne Paden
